TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other:

Applicant's amendment to claim 1 is not correct in that the strike-through, underlined and non-underlined, yet amended, portions of the claim do not correspond to the claim 1 as presented in the amendment filed on 03/17/2008. For example, the phrase "the level of a chemical marker expresses by said IgG-activated fibroblasts" is not underlined, though it is being added to the claim; and "presence" is presented twice, once struck-through and once non-altered, though the word was only present once in the claim amendment filed on 03/17/2008. Correction is required.

Applicant's attention is also called to the amendments made to claims 6 and 9-11 because the amendments are not grammatically correct.
